

PROMED GAUZE SWAB SPOGES (USP-IV)

DISCRIPTION:

It is absorbent gauze of white cloth of various threads free from starch and chemicals. Cotton cloth of plain weave bleached to a good white, clean, and reasonably free from weaving defects, cotton leaf and shells. It is colorless or almost odorless. It may be slightly off-white if it has been sterilized.

FEATURES:

- Highly absorbent 100% cotton woven fabric.
- High fluid and blood absorbency power.
- Chemically inert and soft to give maximum protection and not cause irritation.
- Free of compensatory coloring matters, foreign fibers and external impurities.

INDICATIONS

- For dampening and using for cleaning skin and wounds.
- Removal of dead tissue from the skin surface with preventing maceration of skin tissue.
- For padding and protection for particularly sensitive skin
- Use in surgical procedures for the efficient absorption of fluid and blood.

PRECUATIONS:

- Before use at minor wound ensures that the packet is intact.
- Sterile before use.

STORAGE:

- Keep in cool & dry place.
- Its absorbency may reduce considerably by medications, prolong storage.
